

## Clinical Care Recliner Headrest Cover

Lumex now offers headrest covers for all Lumex Clinical Care Recliners. Headrest covers are the ideal way to protect and extend the life of your Lumex Recliners. They help protect the vinyl from hair oil, hair spray, coloring agents, etc., the leading causes of premature aging of the vinyl.

The headrest covers are made out of the same durable vinyl that is used on our healthcare seating and are available in matching colors. The headrest covers feature an easy-on/easy-off design for cleaning or replacement.
