

The Grafco 60 Minute Timer is a classic manual timer that can be used for a wide variety of tasks. This easy-to-operate analog timer has been constructed to provide a single ring when the specified time has ended. With a one hour timing capacity, this timer is an ideal tool for laboratories, physical therapy clinics, and personal use.

Features:

- Freestanding and portable
- 3 second loud long ring
- One minute to 60 minute timing capacity
- Spring wound movement
- High impact plastic casing
- Grooved edges provide better gripping surface
- White with black markings
