

WHEELCHAIRS

TRANSIT TRANSPORT CHAIR

The EJT500 Transit Transport Chair is designed to safely and efficiently transport patients throughout the facility. Staff and caregivers can provide a comfortable seated transport experience while using a product designed to reduce bending and added strain during transport. The rigid frame is built to be a durable solution that also addresses the risk of facility theft.

Features:

- Easy to store with chair design that nests to save space when storing multiple chairs
- Weight capacity of 500 lb (226.8 kg) EVENLY DISTRIBUTED to accommodate use for various patients
- Foldable footrest for comfortable transport and fixed to avoid losing of parts
- Anti-tippers built into frame for added safety and stability
- Foldable armrest for easier entry and exit from chair
- Easy push handlebar with braking system
- Large under seat storage compartment
- Black Silvervein Hammertone Finish
