LUMEX®
by graham-field

The Deluxe Drop-Arm Clinical Care Recliner is ideal for clinical and acute care settings. It provides the best value while being engineered for maximum patient comfort, durability, and ease of use. The drop-arms provide easier and safer lateral transfers of patients. It features a contoured back to support the patient comfortably. A red color-coded side pedals quickly put the patient into Trendelenburg position while allowing the caregiver to maintain eye contact with the patient.
