

SUPERIOR QUALITY, MADE IN THE USA

Built for the journey – Rooted in Quality – Dedicated to Care – Backed by Graham-Field

For over 40 years, Basic American by Graham-Field has been a trusted name in the extended care market, proudly designing and manufacturing high-quality beds right here in the United States. Our facility in Fond du Lac, Wisconsin stands as a testament to American craftsmanship—where skilled hands and a [commitment to excellence](#) come together to build products that support dignity and care.

Our AmeriLux, Zenith, Matrix, Regency HD, and Liberty bed models showcase innovation [powered by American ingenuity](#). Engineered with industry-leading technology and thoughtfully crafted for durability, comfort, and value, these feature-rich beds deliver exceptional performance for every budget.

When you choose Basic American, you're not only choosing quality—you're [supporting American workers](#) and time-honored manufacturing traditions.

We proudly make all of our beds in the USA to the highest safety standards:*

- FDA Recognized Standard: ANSI/AAMI STD ES60601-1
- Health Canada Recognized Standard: CAN/CSA C22.2 No. 60601-1 (IEC 60601-1:2012-Edition 3.1)
- Includes International Standards: IEC 60601-1, IEC 60601-1-2, IEC 60601-2-52

* Zenith, Matrix, Regency models

Our Extended Care Beds Feature/Have:

- Certified transport devices - passes threshold clearance at ALL heights
Ideal for evacuation³
- Silver Solutions™⁸ powder-coating provides antimicrobial surface protection and deters the growth of odor-causing bacteria
- Sealed ball-bearing joints provide continuous, maintenance-free, silent operation⁴
- No holes on top surface of tubes that could harbor fluids/bacteria
- Grounded frame with right-angle hospital grade plug for safety
- Adjustable wall-saver protects the wall with smallest footprint
- Mattress retainers that are adjustable for multiple mattress lengths
- Two-Pedal locking system as an available option on select beds
- Patented Hi-Lo mechanism adds life to the motors
- Sturdy, no-sag, grid sleep surface with cross braces
- 360 mobility for cleaning

Intuitive Two-Pedal Locking System

- Centrally positioned and easily visible from a distance ensures the caregiver that bed is locked at a glance
- Bed rolls at any height increasing caregiver safety
- Readily accessible at ALL bed widths and heights (even lowest)
- Select option at time of purchase*
*On select models
