

EXTENDED CARE BED

AmeriLux[™]
by graham-field

OUTPERFORMS THE COMPETITION

Not all ultra-low beds are created equal. When every detail matters, the **AmeriLux™ Ultra-Low Bed** stands out above the competition. **AmeriLux™** is designed to outperform—from the inside out.

Features:

1. Designed and **Built in Wisconsin**, AmeriLux delivers the quality, reliability, and support that facilities can count on.
2. Ultra-Low technology adjusts from **4" floor height to 30" nursing height**, supporting resident safety and caregiver convenience.
3. With *optional* embedded staff controls built directly into the footboard, the nursing staff has **faster and easier access** to control bed functionality.
4. Designed to match resident room furniture, **AmeriLux combines performance with a polished, residential look** that both residents and staff will appreciate.
5. **Competitive pricing** that delivers premium features without the premium price

Contact your sales rep for an in-person or virtual demo and find out how AmeriLux Beds can transform your space at a fraction of the cost.

AmeriLux™ – built here, built better!
